Mt. Auburn International Academy Bullying Report January 2015 to June 2015

The Mount Auburn International Academy Board of Directors Safe School Policy requires that the school leader provide the School's Board President a semi-annual written summary "limited to the number of verified acts of harassment, intimidation and bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events." Pursuant to this policy, we are reposting via this letter that your school has had 15 verified acts of harassment, intimidation and bullying for the second half of the 2014-2015 school year from January to June 2015.
